REASONS FOR ALLOWANCE

1. Claim 7 is directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(B), claims 6 & 8, directed to the process of making or using an allowable product, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on April 9, 2008, is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

2. The following is an examiner's statement of reasons for allowance:

The instant application claims a food-storing article either made of a resin or coated with a film that contains a powder composition that releases a volatile oily antibacterial isothiocyanate ester in a humidity-dependent manner. Though the closest prior art (Xiang et al. CN1146303) contains similar powdery substances and food storing articles that make use of isothiocyanate esters are also known in the art (Okada

et al. US 5985303), the humidity-dependent nature of the of the instant food-storing article is not known in the prior art either alone or in combination (as established by applicant's declaration filed November 12, 2008). Therefore, the rejection under 35 U.S.C. § 103(a) is withdrawn in light applicant's amendments and arguments, and claims 3-11 are allowed and renumbered as claims 1-9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher R. Lea whose telephone number is (571) 270-5870. The examiner can normally be reached on Mon-Fri 7:30-3:30 ET.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Kwon can be reached on (571)272-0581. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
